Transition To A.E. Bowers for Parents

Getting Ready for 2016-2017

As you look forward to the 2016-2017 school year in a new school, please know that we are busy planning for your child's successful transition to A.E. Bowers Elementary School. Here are some key happenings:

May 25, 2016

Students who will be attending A.E. Bowers in the coming school year are invited to spend the afternoon at A.E. Bowers Elementary School. During this visit, students will be able to connect once again with peers they may have met during French Week activities at École Edwards earlier in the school year. Additional activities are in the works!

Later that day, families will be able to share in the excitement. A.E. Bowers will be open from 6:00 to 7:00 p.m. that evening in an Open House format.

Details will be communicated closer to the May date.

May 26, 2016

Families with children enrolled in Kindergarten programs at A.E. Bowers and Cooper's Crossing School have been invited to the Passport to Learning Event between 4:30 and 7:00 p.m.
