

# Home Practice : Week 1

The following activities are meant to practice at home as a means of reinforcing concepts we are exploring in class. Typically, a weekly sheet will be sent home in the duo-tang on Monday, and will be collected on Friday mornings. Please encourage your learner to independently complete the tasks in order to make this a part of their daily routine as we practice preparing for the transition to Middle School.

**Math Practice:** Complete the following questions using a personal strategy. Check your work using a second strategy.

a) $4\,567 + 3\,869$	b) $6\,324 - 3\,897$
c) $21 \times 6$	d) $18 \times 12$

## Mots de la semaine: Français

Practice these words using the Spelling Tic-Tac-Toe Sheet. The Tic-Tac-Toe Sheet will NOT be re-printed weekly. Please use it as a guide and initial this sheet instead.
