

# École Edwards Elementary School

## 2022/23 School Workbook At-A-Glance

Reach out to your child's teacher about your child's specific results.

### This Year We Worked On:

- Inclusive Practices and Universal Design of Learning
- Indigenizing Teaching Practices
- Digging Into Assessment Data & Making Learning Visible

### You Can Help By:

- Practice reading, writing, and numeracy skills daily.
- Stay informed and involved with your child's learning progress with myBlueprint and Power School, attend school events and School Council Meetings, and volunteer
- Open communication between home and school. When in doubt, reach out to your child's teacher for questions, direction, and support. We are partners in your child's success at school.

### Next Year You Can Look Forward To:

- Advancing student levels of achievement in literacy and numeracy
- Building student skills and potential for their future
- Creating opportunities for student and staff wellness and resiliency
