We wish everyone a safe and fun spring break!
Enjoy family time and sunshine.
Classes resume Monday April 17th

Safe Arrival Updates

At Rocky View Schools (RVS), the safety of our students is our priority. We use a reporting system called Safe Arrival to ensure we know where students are, when they will be absent and to communicate attendance to parents/legal guardians. We will be implementing some changes to enhance attendance tracking and communication of absences to parents/legal guardians starting April 17. Details about these important changes are outlined in a letter sent to parents/legal guardians, which can be found on rockyview.ab.ca. Questions can be directed to the school office.

Ride of the Mustangs
