### Inclement Weather

It's winter in Alberta and that means inclement weather could strike at any time. In the event of extreme weather, schools may be closed. The decision to close schools is made by the Superintendent in consultation with principals and trustees. More information about inclement weather is available on the Inclement Weather page of the RVS website

### Christmas Bake Sale

We will be having a Bake Sale next week before our Edwards Christmas Concerts on Monday, Tuesday, and Thursday evenings! Please come prepared with a few dollars to indulge in some yummy treats AND support our Grade 5 students/nos élèves de 5e année! The baked goods will be between \$1.00-\$3.00. The funds raised will go towards our Grade 5 Camp trip in June. Thank you for supporting our oldest Edwards leaders!

## December's Theme is WE DO OUR BEST!

We love to see staff, students, and parents doing their best! We celebrate your efforts!

What does it look like, sound like or feel like when we are doing our best? How do you encourage this value in your home?

It could look like trying your best effort and sometimes it is hard work. It could sound like not giving up, pushing through, challenging and encouraging yourself, and most important... believing in yourself! Setting personal goals for improvement helps us to further learn and grow, too.

And when we are doing our best it can feel AMAZING!

Doing your best means... if you do your best or try your best to do something, you try as hard as you can to do it, or do it as well as you can.

Personal Goals are... the personal aspirations or objectives a person creates to focus on and achieve.

The more than you read, the more things that you will know.  
The more that you learn, the more places you'll go.

- Dr. Suess

Learn everything you can, anytime you can, from anyone you can; there will always come a time when you will be grateful you did.

- Sarah Caldwell

Amazing volunteers helping for our Christmas concerts!
