# Literacy Week Fun!

École Edwards students are writing letters to our government, and grade 5 students are helping to deliver them to our local MLA next week!

Have a Heart Day is a child and youth-led reconciliation event that brings together caring Canadians to help ensure First Nations children have the opportunity to grow up safely at home, get a good education, be healthy, and be proud of who they are.

Please have a heart. First Nations children should not have to fight for services all other Canadians enjoy. Give First Nations children the same chance to grow up safely at home, get a good education, be healthy, and proud of their cultures.
