4L milk or water jugs

Families, we are looking to collect 4 L milk or water jugs to build an "ice castle" as part of our French Culture week celebrations. The more jugs we collect the larger the castle we can build! Families are welcome to start sending jugs to school at any time. Please ensure that milk jugs are washed with soap before sending them to school. We are also looking for volunteers to help build the castle indoors.

We will provide a plan and the necessary supplies.

If you would like to help build the castle on Friday March 3rd please email Mme Cyrzan at mcyrzan@rockyview.ab.ca

After French culture week, the milk jugs will be recycled and the money collected will go to support the Grade 5 Spring Camp.
