Literacy WEEK!

WED JAN 25- FEB. 1

School-Wide Activities to Celebrate our Love of Reading, Writing, and Literature!

Wednesday, Jan. 25 Kick-Off School Spirit Day:
HUMAN SCRABBLE DAY!

Human Scrabble Day is when students and staff come to school wearing the letter of their first name on the front and the letter of their last name on the back. Use painting tape or duck tape, or paper or cardboard to try to make a LARGE scrabble letter tile. Throughout the day we will make words by playing human scrabble!

Wednesday, Feb. 1 Ending Activity Day:
WORLD READ ALOUD DAY!

On the last day classroom will celebrate books being read aloud to them.

Classroom challenges all week long from a choice board of fun literacy activities such as reading in the dark, or dress as your favourite character, or have a reading picnic or PJ party! Every day we will surprise students and staff with an announcement at a random time to drop everything and read for 10 minutes.
