Welcome Back!

We hope you all had a restful break and enjoyed time with family & friends. We were excited to see all the students back this week and started right back into our class routines.

Happy
New Year
2023

Several classes went skating this week, it was great to have so many parent volunteers helping out. Parents if you are volunteering, don't forget your skates too, we do require you to be on the ice with the students. Please check the website and class emails for more information.

Our Theme for January is **WE ARE INDEPENDENT**

This is one of our core values to help ensure students succeed in learning.

Throughout the month of January students are learning and reflecting about the following questions:

What does it mean to be independent?

How can you make good choices? Why is it important to make good choices?

What does it mean to own your actions and words?

Why is it important to be honest?

How does setting and meeting goals for yourself help build your independence?

WE ARE INDEPENDENT

**NOUS SOMMES
INDÉPENDANTS**

PARENTS

How can you build INDEPENDENCE at home with your children?

- Encourage children to do things on their own, and help them to not give up.
- Talk about how to make good choices and celebrate when good choices are made.
- When there is a problem or conflict, talk about it together, share perspectives, and help children own their words and actions.
- Be a role model by setting goals, challenging yourself, being responsible, and talking openly about your learning.
