How to View Report Card & Assessment Information

This document shows parents how to access the report card for viewing/printing purposes.

Page 1 is how to view/print the report card.
Subsequent pages are how to view individual assessments & overall outcome progress.

Parent Guide

How to View Report Card

Log into the Public Portal

Log into the Public Portal on a computer, or through the web browser on a mobile device, **NOT** through the PowerSchool app.

*If you do not have an account, CLICK on the "Create Account" tab, and follow the prompts to create account and add students. (Your school has sent letters home with specific access codes to add your students.)

Step 1: CLICK on the name of the student in the blue horizontal bar.

Step 2: CLICK "Report Card" icon from the left navigation menu. A list of archived report cards will display

Step 3: CLICK on the specific Report Card to view/print.

Step 4: Follow the instructions to PRINT.

How to View Individual Assessments

Step 1: To see ALL assessment information (including outcomes) for a student, **CLICK** on the “Grades and Attendance Tab” in the left navigation menu.

Step 2: **CLICK** on the course grade to see more information about a specific subject.

A list of assessments will appear.

Step 3: Check the legend at the bottom to discover the attributes/flags (collected, late, missing, exempt, absent, incomplete) that have been associated with each assessment.

Assignment: Sorting Objects

Category: Summative

Score Comment: Assignment Description

Daisy is able to distinguish between 3D objects and 2D shapes. However, she has more difficulty explaining the attributes of each. She can sort, but can't explain why she has sorted in a particular fashion.

Legend

None: This section has no associated standards. () - A comment exists for this standard grade.

The grades displayed in this view are cumulative outcome grades. They have been determined from outcomes attached to multiple assessments and/or through classroom observations and conversations.

The learner outcomes are organized by topic or strand. (e.g., Number, Patterns and Relations, etc.)

Each learner outcome has a grade, which informs topic grades, and ultimately determines the overall course grade.

This information helps determine next steps.

It is available at any time, 24/7.
