Friendly Reminders

Dress for the Weather

With the cold weather here, please make sure your child is prepared. This means boots, coats, snow pants, mitts, and hats.

Students are expected to go outside twice a day for recess- weather permitting. Indoor recesses occur if the wind is strong, if there are safety issues, or if the weather temperature is below 20 degrees with the wind chill.

STUDENT ILLNESS - IMPORTANT

Please keep your child home if they are sick

Many students and staff are getting sick due to sickness spreading at school. This is also creating staff shortages, at times.

Thank you for your support and understanding.

Wow! What a fabulous week of learning experiences... here's a sneak peek!

Thank you, special guests, staff, students, and the Planning Committee who all played a role in its amazing success!

Are you a family with First Nation, Metis, or Inuit heritage? Do you have ideas for the school to help enhance our learning experiences for Indigenous Knowledge and Perspectives? Please reach out to us and let us know your ideas, language, or knowledge that you would like the school to experience. We are always interested in finding ways to partner with families around learning.
