Thursday Nov 10th - Remembrance Day Ceremonies, 10:30 AM & 1:30 PM, All families are welcome to attend.

Friday Nov 11th - NO SCHOOL, Remembrance Day

Monday November 14th - NO SCHOOL, PL Day

Stay informed and involved in your child's learning and see their marks online!

- RVS has online reporting using PowerSchool, and there's an App for your phone, too!
- Teachers are assessing students all the time in a variety of ways to determine what they know, what is best for their learning, and what the next steps are for their growth.
- Marks are not all based on a single test or activity, but a variety of experiences, observations, and conversations.
- Check PowerSchool every few weeks to stay up-to-date and informed about their progress and any missed work.
- When in doubt always reach out to your child's teacher - ask questions, and make a plan together to support your child for success in learning.

[Student and Parent Sign-In \(rockyview.ab.ca\)](https://rockyview.ab.ca/)

Dear Edwards Families and Guests,  
We would like to invite you to attend one of our school **Remembrance Day Ceremonies** on **Thursday, November 10th**. Our service times will be at **10:30 am** for our morning assembly group and **1:30 pm** for our afternoon assembly group. Watch for more information from your child's teacher regarding which assembly group to attend, or feel free to attend the service that best suits you. **Please arrive 10-15 minutes prior** to the start time, sign in outside the office, and head to the gym. Students in Beavers/Scouts, Cadets, or Brownies/Guides are welcome to wear their uniforms and everyone attending is encouraged to wear a poppy. **We look forward to sharing this important event with you.**

## Dress for the Weather

With the cooler weather approaching, please make sure your child is prepared. This means boots, coats, snow pants, mitts, and hats. Students are expected to go outside every day for recess- weather permitting. Indoor recesses occur if the wind is strong, if there are safety issues, or if the weather temperature is below 20 degrees with the wind chill.

Classes had so much fun on Halloween, with an RCMP Presentation on safety, class parties, and the Halloween Parade! Thanks to all the families that attended our parade, we had 140 parents and guests!!

## Hello November!

How can you show others you **CARE**?

Being kind in words and actions

Being thankful

Being patient and caring

WE CARE

NOUS COMPATISSONS

What simple things can we do to show that we care about others? About our community? About the environment?

## The Monthly Theme for November is CARE

This is one of our core values to help ensure students succeed in learning. Everyone at Edwards is encouraged and taught to CARE, and we hope all students feel cared for each day!

Please talk about this important school value at home with your children. Here are a few keywords and ideas to discuss and try at home.

**Caring:** someone or something that shows kindness and concern for others. Being kind, sensitive, and empathetic. **Try to track or celebrate at home how many ways you can care for one another.** *Create a caring chart on the fridge or a care jar with cut-out hearts or notes on the kitchen counter to write about caring moments.*

**Sensitivity:** being kind, caring, able to pick up on the feelings of others, aware of their needs, and behaving in a way that helps them feel good. **Try to label or name your feelings and talk openly about what each person in the family needs to feel good.** *Have a family meeting at least once a week, or each day, to share how everyone is feeling and doing.*

**Empathetic:** being able to share or understand the emotions and feelings of another person. **Try to show empathy by creating scenarios or skits and practicing how to identify and understand each other's perspectives.**
