HALLOWEEN REMINDERS!

Wear your costume to school on MONDAY!!

- We need to be able to see who the students are, and interact with them for teaching and learning purposes.
- Weapons, full face masks, blood & gore, need to be left at home.
- Students should be able to walk and play in their costumes easily and safely.
- We ask that you remember that there are students with nut allergies in our school so please choose snacks carefully.
