Home Sight Word Program

Sight Word Expectations by Grade Level

Step 1: Word Recognition

- In order to proceed to the next sight word level, students must have 100% word recall mastery within 1-2 seconds of every word on the list.

Step 2: Spelling-Word Use Accuracy

- Students will have mastered 100% word recognition of grade word lists, as well students will work towards mastering written accuracy of all words within each list before proceeding to the next grade word list.

Power Words	Kindergarten
