

Welcome Back!

We are so excited for an amazing year of learning in 2022-2023

EDWARDS FAMILY EXPRESS

At École Edwards we hope for all students to belong, learn, and succeed. Staff are working hard to care for students and their learning needs. Parents are important partners with the school to ensure student success. Be sure to reach out and let us know how we can best support your child at school. Always first connect with your child's teacher with questions or concerns, as they will know your child and the situation best. Check your email for classroom updates from your child's teacher and ask your child about their learning at home. Thank you for staying informed and for being amazing partners in learning with us!

For all things Edwards please keep an eye on our school website and school calendar for important dates/activities coming soon.
